CERRITO PARK LAND OWNERS PROTEST PAVING

Declare Cost of Improvements
Would Equal Value of
Property.

BIDS ON FIRE HALL ASKED

Contract For New Structure To Be
Awarded At Meeting
April 11.

Plans for the El Cerrito board of trustees for the paving of three streets, Carmel, Pomona and Roma, in the Cerrito Park tract, were halted last night when a protest was read from property owners in the district, claiming that the cost of the improvements would be as much as the land is worth. As a result of the protest the board temporarily laid aside plans for the improving of the streets. Property owners declare that the lots are worth only \$55 each, and that the assessment for the paving would be \$80. If Pomona avenue were paved, they stated, it would form an outlet for all traffic going in and out of the park, and would be all that is necessary.

During the meeting of the trustees bids were called for on the new fire hall which is to be erected near Stege junction. No estimate could be given as to the probable cost of the structure. The contract is to be awarded at a meeting of the board April 18.

A communication from the Berkeley Hills Fire Protection association, asking that definite action be taken on its request for \$250 to aid in the work of taking precautionary methods against another such disastrous fire as swept Berkeley last fall, was tabled. An invitation was received by the trustees to plan a regional planning meeting of the California League of Municipalities, which is to be held in San Francisco April 11.

Richmond Scouts To Meet Tonight

A special meeting of the Richmond Pyramids, U. W., No. 42, Ancient Egyptian Order of Scouts, has been called by Harry Ellis, Toparch, for tonight at the Richmond club house. The meeting has been called for 8 o'clock.

Department of Labor Figures Show Buying Power of Dollar

According to statistics printed in a booklet sent out by the United States Department of labor, titled "Prices and Cost of Living," the dollar's worth of food in 1915 now costs the housewife \$1.50. The price of food gradually rose from 1915 to 1922 when it took a sudden drop from \$2.15 to \$1.40 on the 1915 dollar scale within a few months. The buying power of the dollar has remained on practically the same plane for about two years.

Figures are given showing the staple prices of commodities in the different cities of the United States during the last few years. Prices for some of the articles are very much different in different localities. For example, milk, in 1913, sold in both Atlanta, Ga., and San Francisco, Calif., for 10 cents a quart. According to the figures given out by the government bulletin, milk now sells for 14 cents a quart

Registration Will End Today; Register Now

A last call has been issued to Richmond voters to register. Today is the last day for registration for presidential primaries, and it is estimated that there are still several thousand qualified voters in this city who have not taken the necessary steps which would permit them to cast their ballots.

Everyone should vote. It is the duty of each citizen to take part in the elections. Register today, before it is too late.

SIXTY ORGANIZE D. O. N. S. CLUB

About 60 Richmond boys formed the D. O. N. S. club last night at the Richmond club house. The affair was attended by Mayor W. W. Scott, Harry Marcus, Dr. Thomas Boyer, J. M. Heady, Aubrey Wilson, J. J. Burdon, "Doc" Seawright, and several other business men of Richmond, who will stand as sponsors for the organization.

A delicious dinner was cooked and served by Mrs. W. B. Wilson. Mrs. Wilson was toasted by the guests in appreciation of the wonderful meal she prepared. Plans were made to lease property on Fourth and Bissell for clubrooms.

Al Wilson was appointed chairman of a committee which will meet with their fathers and the local business men who are sponsoring the club, April 11, at the chamber of commerce rooms. The constitution, by-laws, adoptions, etc., will be discussed and planned at this session. The next regular meeting will be held three weeks from last night, and all charter members are requested to be present at this session.

DOG ATTACKS MAN

Police are holding a dog belonging to Gus Gardell, 2448 Clinton avenue for observation. The animal broke his chain yesterday morning and attacked Leo Nelson, 17, of 2560 Downer street. The dog inflicted several wounds in Nelson's leg.

Call Mass Meet on Bathhouse; Youth Saved From Gallows

COMMERCIAL CLUB PLANS BIG RALLY

Public Invited To Session To Be
Held Thursday,
April 10.

STRUCTURE TO COST \$85,000
Hope To Arouse Interest Which
Would Result in Fa-
vorable Vote.

A mass meeting is to be held at the Point Richmond Fireman's hall on Standard avenue, Thursday evening, April 10, at which time ways and means of securing a bath house will be discussed, according to a decision reached by members of the Point Richmond Commercial club last night.

The meeting was called to arouse interest in the election which has been called; when bonds will be voted upon for the purpose of erecting the structure, which, according to an estimate prepared by Building Inspector Wierda, will cost approximately \$85,000.

When the measure was voted upon last fall it lacked only a few votes of having the necessary two-thirds majority which it needed to carry. Backers of the measure feel sure that the bonds will be voted this time if sufficient effort is exerted by those in favor of it, and the mass meeting has been called for the purpose of laying before the public the need of a bathhouse.

The estimate prepared by Wierda showed that a concrete swimming tank 60 x 100, would cost \$18,000; a frame building, housing the tank, stucco finished, \$45,000; a heating and filtration system, \$10,000, and a pipe line \$12,448.

Sanders Named For Important Post By Legion

Word was received here yesterday of the appointment of Hall W. Sanders, local attorney, as chairman of the state committee in charge of the work among ex-service men in prison. This announcement was made by Morgan Keaton, department adjutant of the Legion. Sanders was recently named chairman of a similar committee by the Richmond American Legion post.

The committee, members of which are to be appointed by Sanders, will have charge of the work of making a thorough survey of state prisons where any ex-service man is confined, and making a report of the cases. This action is being taken as a result of a statement that many ex-service men are serving terms for acts committed while not in their right mind as the result of injuries or mental illnesses brought on by the war. A resolution authorizing the work was recently adopted by the American Legion and submitted to the national committee.

GOVERNOR TAKES ACTION TO HALT BOY'S EXECUTION

Birth Certificate Presented To
Prove Slayer Only 17
Years Old.

RICHARDSON ISSUES ORDER
Says Murder Was Cruel and Cold
Blooded Without Extenuat-
ing Circumstances.

SACRAMENTO, April 4.—William Hard, 17-year-old slayer, was saved from the gallows today when Governor Friend W. Richardson took official cognizance of a birth certificate which had been presented showing that the youth was under 18 years old, and according to a California law, no person under that age may be executed.

The Governor's statement was as follows:

"Although no appeal has been made for clemency I have investigated the date of birth of William Alexander Hard, a condemned murderer. The certificate of birth, filed by Dr. F. W. Bassett at Los Angeles, shows that he was born on November 25, 1906, at 5 p. m.

"The law provides that persons under the age of 18 shall not be executed and I propose to do my part to see that this law is not violated. "The murder committed by young Hard was cruel and cold-blooded in the extreme, without any extenuating circumstances. I have forwarded a copy of the birth certificate to the district attorney of Siskiyou county in order that he may make inquiries as to its genuineness and advise me.

"My interest in this matter is to see that the laws are obeyed. The brutality of the crime committed and the horrible circumstances surrounding it, show that Hard is not entitled to any clemency whatever. If the evidence which I have cannot be controverted, then I must and will uphold the law."

Rev. Ross Turman To Give Address

Rev. Ross Turman of the Trinity Church, will deliver a series of confirmation lectures immediately after the morning services each Sunday, beginning tomorrow and continuing until June 8, when the Rev. Edward L. Parsons, bishop of the diocese, will make his annual visit. He will confer the rite of confirmation. A large class is expected to prepare for confirmation and anyone interested is cordially invited.

PREMIUM OFFERED

Each stove purchased at the sale which opened yesterday at the Richmond Furniture company bears with it a \$10 order for groceries on Alexander and Landrebe or Nelson's grocery.

SLOGAN CONTEST IS UNDECIDED Hundreds of Entries Confront Judges EXCHANGE HOLDS BIG MEETING

Due to the galaxy of slogans which were received by the Builders' Exchange, the judges last night at the regular meeting of the organization in the Builders' Exchange auditorium, found it impossible to make a decision on the entries.

According to Secretary L. C. Dexter of the organization it will be at least two days before the judges will be able to thresh out the slogans and discover the most meritorious one, the author of which will be given a prize of \$25.

P. M. Sanford, president of the Builders' Exchange, opened the meeting and appointed others to count the votes for judges of the slogan contest which was taken at the last regular meeting of the organization. The judges, who were selected by secret ballot, are as follows: Al Hill, P. M. Sanford, and E. M. Tilden.

Guy E. Wolfe, secretary-manager of the chamber of commerce, was the guest of honor at the meeting. Wolfe gave a very interesting talk on the future of Richmond and of the organized support given by people to these movements. Wolfe told of the need of advertising the city in the eastern sections of the country.

In a striking manner Charles Foy of the Oakland Builders' Exchange, showed the great growth the East Bay district has made during the past ten years. Foy in his address made use of charts, statistics and drawings to bring out his points and by them succeeded in putting over one of the cleverest and most feasible talks that has been given in this city in many a day.

Harry Marcus Plans Big Opening Today

Harry Marcus will give away souvenirs of silk stockings and flowers to the ladies who attended his big opening of new departments of his store, 727 Macdonald, today. Kites will be given to the boys as souvenirs.

Marcus has added a department of boys' clothing and furnishings, also a ladies' department will be opened today. The windows of the establishment have been remodeled and redecorated.

Extensive improvements have also been made on the interior of the building, and a mezzanine floor added to make room for additional stock. The office is located on the new door.

Last Rites Held For D. Mansfield

Last rites were held yesterday afternoon from the Wilson & Kratzer chapel at 2 o'clock for the late Dudley Mansfield of El Cerrito, who died at his home on Wednesday morning. Rev. Struckmoller of San Francisco officiated. The body was interred in the Sunset View cemetery.

Predicts Big Growth

He stated that he felt safe in saying that within a very few years the population of the East Bay would number five million inhabitants. Foy told the builders that many would laugh at this in derision, but if they will but look back on the Oakland of thirty or even twenty years ago, it is possible to see what can be done in building up cities.

According to the charts which Foy showed during his address last night, the East Bay section has the edge on every city in the west for the amount of manufacturing turned out in the year. The largest factories, and the largest capital invested during the last few years have been put into enterprises in and near the bay.

Foy congratulated the Richmond builders on their organization, saying that they are the only builders' exchange on the coast that boast of a building of their own.

Members Give Talks
Many members of the organization were called on by E. B. Bull, chairman of the entertainment committee, for talks, among them M. A. Hays, H. A. Johnston and S. B. Merry.

The entertainment committee furnished the supper of baked ham and arrayed in regulation chef uniforms served the meal. The entertainment committee was as follows: E. B. Bull, Grant Miner, M. A. Hays, and Al Hill.

Howard Mylander and B. F. Carter of the organization sang some very good duets. They were accompanied by B. Weisgerber on the piano.

Representatives Asked To Form New Community Council

Invitations have been mailed out by the Richmond Chamber of Commerce to presidents of fifteen local organizations, asking them to send delegates to a meeting for the purpose of organizing a Richmond community council which would act as a clearing house for community building activities.

The statement issued by Secretary Manager Wolfe of the chamber of commerce, was as follows:

"Richmond is like all cities in that she suffers from an excessive number of organizations, most of them devoted to the same general purposes. Fifteen organizations cannot be as effective, active as individual organizations as one big organization," says the chamber of commerce statement, issued yesterday.

"The community council will not supplant any organization, nor will it hamper the activities of any club now in operation. We plan merely to provide a great round table to which each member club in the city will be able to bring its problems and secure support for them or advice on how best to handle those problems.

"United action on general community activities will enable every club

RECORDS ARE TO BE INVESTIGATED BY COMMITTEE

Action Taken Following Refusal
of Head of Institution To
Permit Inspection.

WHEELER WILL HEAD PROBE

Traffic in Drugs, Liquor Deals
and Revolutions Touched
in Testimony.

WASHINGTON, April 4.—The Senate investigation of former Attorney General announced today that the Wheeler-Brookhart committee would hold sessions at Washington Court-house, Ohio, to examine records of the Midland National Bank there following the refusal of M. S. Daugherty, head of the bank, brother of the former Attorney General, to send the records to Washington. The trip will be made during the week of April 14. The probe there will be conducted by a sub-committee composed of Senator Wheeler, Democrat, of Montana, and Senator Moses, Republican, of New Hampshire.

Evidence is Brought Before Committee

WASHINGTON, April 4.—Traffic in drugs, liquor deals, prisoner paroles, Mexican revolutions, aircraft contracts, bank records, and "the little house in K street," passed in kaleidoscopic review before the Daugherty investigating committee of the Senate today.

Coolidge Has 377 Delegates

President Calvin Coolidge now has 377 pledged delegates for the Republican National convention to be held in Cleveland in June, according to figures just announced by the Coolidge headquarters.

There will 1109 delegates at the national convention, 556 being the necessary number for nomination. Senator Hiram Johnson now has 10 pledged delegates.

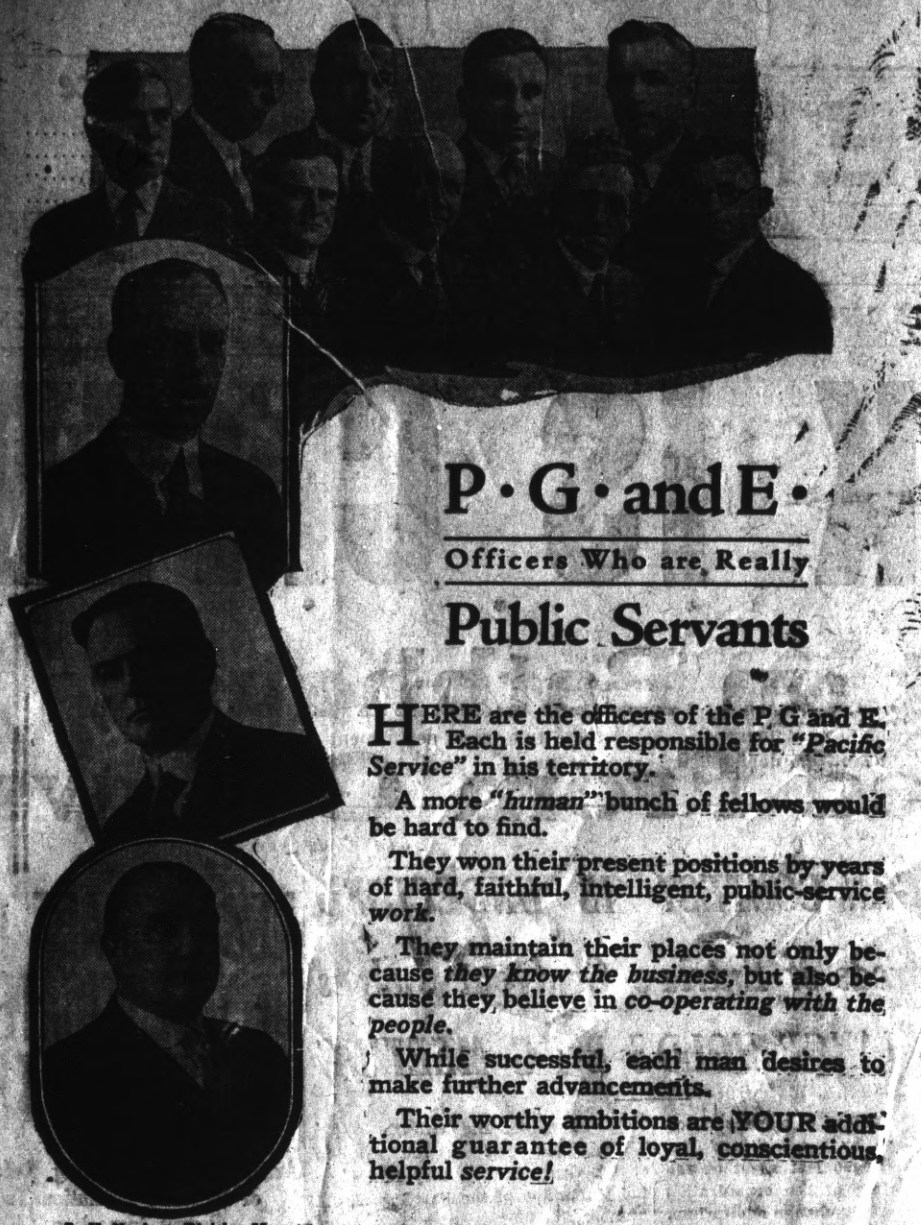

and organization in the city to get most of its own program completed. "Another function of the council will be to enable the city to present a united front on problems affecting the industrial, social, and commercial activities of the city."

Wettest Spot On Earth Is Found

HONOLULU, T. H., April 4.—Comparatively speaking, 1923 was a dry year on Mount Waialeale, which has made a five years' average record of being the wettest spot on earth, according to the official figures of the United States Weather Bureau. The 900-inch rain gauge only eight feet below the summit of the mountain registered 360 inches for last year, but it was measured a full one-half month before the 12-months were up, so it is possible that much of the apparent deficiency may have been made up during the ensuing fifteen days, it is explained.

It was during the five years—1912-1916—that the official observations gave an annual average rainfall of 513.4 inches at the Mount Waialeale station. Since then there was one year when no reading of the gauge was made on account of the arduous and somewhat perilous trip necessary to reach the spot, and there were other years when the original 300-inch gauge was found overflowing and true measurement impossible. Even with these irregularities the average for the 12-year period, ending with the last reading, was 468 inches a year.

Was World Honors
This 12-year average is not quite up to the last 18-year average made at the British governmental rainfall station at Cherrapunji, in the Khasi Hills of India, with a record of 492 inches, but Mount Waialeale's five-year average far eclipses that competitor for world honors. It is stated:

It was not until June, 1919, that the 900-inch gauge—the largest in the world—was installed on Mount Waialeale, Island of Kauai, of the Hawaiian group. The following year it registered a rainfall of 549 inches. Getting the big gauge up the mountain by man-labor was a gigantic task. It replaced a 300-inch gauge which had been there since 1911.

The smaller receptacle had to be read two or three times a year and often it was overflowing when visited. This rainfall station is maintained jointly by the United States Weather Bureau and the United States Geological Survey. The Mount Waialeale rain gauge is at an elevation of 5,070 feet and that of Cherrapunji, 4,134 feet.

Clever Plot In Wright Story On California Screen

The main screen feature at the California theater today is the photoplay adaptation of Harold Bell Wright's well-known novel, "When a Man's a Man," which is a first National attraction.

The plot concerns the adventures of an indolent young clubman who goes West after the girl of his heart throws him down. He lands in the cowboy town of Prescott, Ariz., and goes to work on the Cross Triangle ranch as an ordinary ranch hand. Here he loses his identity and becomes known as "Honorable Patches."

His daring and willingness to work and likeable personality win him many friends on the ranch, but here are several chronic cranks that are suspicious of every stranger.

Full fashioned hose, \$2.50 and \$3.50.

—First Floor, Capwells

Bill Presented Which Would Have Autos Taken From Reckless Drivers

Driving ahead with its program to remove the reckless motorist from the highway, the National Automobile Chamber of Commerce has published the text of a specimen law for the impounding of motor vehicles of offenders.

This bill has been drawn by constitutional lawyers with the aim of getting a measure which will be practical and will be in accord with legislative precedent.

Taking away property which has been misused has precedent in some of the early fishing laws and in a large number of Volstead Act cases. Detroit is now impounding vehicles by taking away the license of the car. Another method is to affix a police seal on the car in the owner's garage, or the vehicle can be impounded in a public garage at the owner's expense.

The measure as outlined provides for public sale of the car where offender does not meet the fees and expenses approved by the court for the seizure and detention of the vehicle.

The automobile organization has published this proposed law not with the thought that it is necessarily the best for any particular situation, but to serve as a guide for a practical measure for any community which may have this form of legislation in mind.

Extra copies may be obtained from the National Automobile Chamber of Commerce, 336 Madison avenue, New York City, without charge.

There are various methods of punishing the reckless motorist. Fines,

however, are not a great worry to the prosperous, and it is hard to get a jury to impose jail sentences.

It is felt that the impounding method of depriving the owner of his car for a given period is more severe than a fine; and that the justice of the measure will appeal to jurors.

The text of the bill as follows: Upon the conviction of any person, firm or corporation or agent or servant of any person, firm or corporation while performing his principal or master's work or duty, of an offense in any court of this state where a motor vehicle was unlawfully used or operated in the commission of such offense, the court may, in addition to all other punishment and penalties prescribed by law, prohibit the use of the motor vehicle during a period to be fixed by the court. The officer executing the sentence of the court shall seize said motor vehicle and impound and detain the same in such manner as the court may prescribe, and said motor vehicle shall not be released until all fees and expenses approved by the court for the seizure and detention of said motor vehicle shall have been paid.

If such fees and expenses are not paid within ten days after the same has been approved by the court, such motor vehicle shall be sold at private or public sale, as may be directed by the court, and the officer making the sale, after deducting the expenses of impounding and detaining the property, the fees for the seizure and the costs of the sale, shall pay all liens according to their priorities which are established by intervention or any other proceeding brought for such purpose as being bona fide and as having any status or ordinance and shall pay the balance of such proceeds to the owner. All liens against the property sold under the provisions of this statute shall be transferred from the property to the proceeds of sale of the property. If, however, no one shall be found claiming the motor vehicle, the sale of the same, with a description thereof, shall be advertised in some newspaper having a circulation in the state and country once a week for two weeks, and by handbills posted in three public places, and if no claimant shall appear within ten days after the last publication of the advertisement, the property shall be sold and the proceeds, after deducting

POSTPONE SHOWING WAR TIME PICTURES

At the regular meeting of Honor Post, V. P. W., at the City hall, it was decided to postpone the showing of the war pictures, "Flashes of Action," to a later date, as not to interfere with the coming circus to be put on by the veterans of the city. Any veteran desiring to see these pictures, featuring the Fortieth and Ninety-first divisions in action, can see same at the Fox Oakland theater during the week of April 19.

Honor Post will put on a big open meeting with "beaucoup" eats on Tuesday, April 23, when all members and their friends are urged to be present "stag."

Chas. Washburn has been appointed deputy department inspector by the department commander.

The Memorial day committee reported a meeting of all veteran organizations and their auxiliaries will be called in the near future. Colonel Innan, 127 Twentieth street, being chairman of committee, assisted by George Ford and D. E. McCarthy.

I. Graham was taken into the post by transfer from Sawville, Calif.

All members are urged to turn out again next Saturday and Sunday to work on the Boy Scout building on Ohio street, near Eighth.

expenses and costs, shall be paid to the State Treasurer.

"The White Sin," Scores Success At Macdonald

What was this beautiful girl's story? What was "The White Sin" she committed? How many are free from sinning?

These are the questions answered in "The White Sin," showing at the Macdonald tonight.

Remember the words of the greatest Man of all time when he said: "Let him among you that is without sin, cast the first stone."

How quickly the world stands ready to accuse—how eager to trail into the dust the reputation of others.

How hard it is, once accused, to come back.

In this great picture, pronounced by dramatic critics, reviewers and playwrights to be one of the most powerful dramatic documents ever screened, you'll see revealed the story of womanhood in all her strength and weakness.

Here is a true slice of life picture: in unforgettable scenes of towering drama. There is no greater drama than life itself. You know it. Yet how few really and truly understand it. See beautiful, cameo-like Madge Bellamy in "The White Sin."

This story in almost any sort of picture garb would, by its sheer strength and merit, make the spectator sit on the edge of his chair from beginning to end—but in the Palmer production it has been given a technical presentation fully worthy of it, and a brilliant interpretation through an all-star cast of the screen's best artists.

Photoplays of this sort are going to achieve immortality, along with Shakespeare's plays and other famous works. The fact that "The White Sin" was created, conceived and written directly for the screen by Mr. Shumate makes it distinctly the property of the Infant Art, and is something for motion pictures to be proud of. Story, story, story! It's all there from plot, dramatic structure, screen-fitted realism, humor, pathos, and a rapid succession of thrills and tense situations to character work of the subtlest, most human and appealing sort; the creation of screen characters that should live.

Madge Bellamy takes the role of the girl lead in "The White Sin," and she does the best acting in her career.

Redman Makes Six Ringers

Redman, ace of the Standard Oil Horseshoe league, yesterday led all other contenders in the noble pastime by sending six ringers over the pegs. Redman's closest rival happened to be his team mate, Smith, who sent the silver horse off the pegs three times.

Yesterday's games and scores: Team No. 21, 25 vs. team No. 16, 27; team No. 7, 36 vs. team No. 4, 25; team No. 2, 40 vs. team No. 8, 23; team No. 15, 35 vs. team No. 12, 15.

Ringers: Stark, 2; Shaw, 1; Laiden, 1; Donaldson, 1; Gordon, 2; Redman, 6; Smith, 3; Nesbitt, 1; Webster, 1; and Ford, 1.

Registration ends Saturday. Register at once.

Recreation Pier At Neptune To Be Dedicated

The broad 2000 foot recreation pier reaching out to the deep water channel in the bay, completed as the feature for the season at Neptune Beach, Alameda, will be formally dedicated tomorrow when the big resort is opened to the public. The pier is heavily built and well supported to withstand winter gales and is a duplicate of a mammoth pleasure pier to be found along the Atlantic seaboard.

Many of the improvements intended to be in place for opening day at the Alameda park, will continue under construction this spring. Dredging operations are under way, filling sand behind bulkheads that will add 20 acres of new territory to Neptune Beach this year. When this land is in, a village of vacation cottages will be built upon it.

The filtered swimming pool has been decorated by two aerial fountains with a capacity of 50,000 gallons a minute. They operate as the last stage of the filtration system, re-oxygenizing the water by exposing it to air and sunlight. "The Safety Racer" has been re-arranged, new dips and a higher speed is attained by the racing cars. The "Concessions Highway" is bordered with innovations and favorite fun providers of last season have undergone changes.

Members of a well-known moving picture company have secured permission to film a photoplay in the Neptune Beach grounds, for one week, beginning tomorrow. The story, which has been written around a bathing resort, will be released nationally by the company. In order to complete their work in the allotted period, the screen people will stage scenes from early morning until dark, and will make their "night shots" Saturday evening, when a reception and ball will be run before the camera. The public will be called upon to furnish mob scenes and extra people.

Circus vaudeville acts, a band concert and an open 50-yard swim, sanctioned by the A. A. U., is the entertainment provided for the opening of the beach.

Walt Christie Addresses Pupils At Junior High

Walter Christie, track coach of the University of California, and one of the coaches of the Olympic track team, gave a very interesting talk yesterday before the students of the Roosevelt Junior High school on the subject of "Athletics."

Christie, who is considered one of the finest track coaches in the United States, told the assembly of students yesterday that in order to excel at any athletic sport one must lead a clean simple life. He stated that if the Americans are to keep the wonderful records, which athletes of this country have set, they must change their mode of living.

The famed coach stated that in the Olympic games it is each time becoming harder for the Americans to take the laurels. Christie stated that this is due to the fact that the foreign athletes lead a simpler and less swift life. He stated that the American team will be probably be strongest in the sprints. Famous among the sprint stars who will burn the cinders is one, Charlie Paddock, holder of the world's record in the one hundred and two-hundred.

Richmond Women Attend Club Meet At San Leandro

A large delegation of Richmond club women attended the county federation convention at San Leandro yesterday. Mrs. Urquhart, state president, gave a most wonderful talk and the entire program was greatly enjoyed. Several reports were given and a great deal of business was taken care of.

Among the delegates who attended from Richmond were Club Mendocino, Mesdames George Harlow, Parker, Les. Huston; West Side Improvement, Mesdames Johnson, Coleman, Stidham; Richmond, Mesdames Stiver, Obenland, Conwell, Hall, Maxwell and Milnes.

Past President Of San Jose Rotary Makes Talk Here

Rev. Noel Porter, past president of the San Jose Rotary club, and an Episcopal pastor, was the principal speaker at the luncheon of the Richmond Rotary club yesterday, taking as his subject, "Race Antagonism in America Must Go." Larkin Younce was chairman of the day. Nominations were made for vacancies on the board of directors.

Porter, in his address, said in part: "While the world loves fighters and men will pay more money to see a prize fight than any other form of sport, there has been a decided swing from war and militarism since the last great struggle.

"Nations grew great through the character of their people and fell through their greed for power when they attained a place in the sun," and he quoted from history to prove this contention. "We are debtors to each other, socially, economically and artistically. We generally hate people because we do not know them and do not understand their philosophy of life. How often in life have you hated or looked down on a man because you did not really know him and that persons afterwards through your efforts to live a Golden Rule became your best friend? We get out of life what we put into it—if we are suspicious of people, if we hate them, if we distrust them, we find that they hate us and place stones in our pathway to happiness and prosperity. How different would it be if we started out tomorrow morning to make friends with little children, and to be friendly to all the people we meet."

Re-name Chairman Of Sanitary Board

J. Conneli was re-elected chairman of the State Sanitary board at the first meeting of the body held since the recent election, when Edward Wuelzer and Charles Schwake were named members and E. Brenswell assessor. Wuelzer was elected secretary. The meeting was largely devoted to organization work. It was decided to change the meeting night of the board from the first Friday in each month to the first Thursday.

Chief's Refuse To Say Whether They Have Resigned

Silence still surrounds the action taken following the request made by City Manager J. A. McVittie for the resignations of Police Chief W. H. Wood and Fire Chief Roy Lemoin. Neither chief will say whether or not he has submitted his resignation, and refuses to either confirm or deny rumors that a fight is planned.

It was stated that the only action that would result, should the chiefs refuse their resignations, would be to force the council to take public action.

Ladies of G. A. R. Present Flag To San Pablo School

Members of the Richmond Ladies of the G. A. R. presented the San Pablo school with a beautiful flag yesterday at the school. The affair was attended by a large crowd of people, as well as the school children. A fine program was given by the ladies of the G. A. R. and the children of the school.

The following program was presented: Song, "The Star Spangled Banner," San Pablo school; pledge to the flag, entire assembly; song, "Guard the Flag," ladies of the G. A. R.; presentation of the flag, address, "Old Glory," Mrs. Lida Dearborn; response, M. R. Rutherford, principal.

MOVES TO NEW RESIDENCE

Mrs. H. Hurley has moved from her old home on Richmond and Washington avenues to a new residence at 18 Washington avenue.

Crop Conditions In Sacramento Valley Are Good

Russell & Macanay, Sacramento, say: During the last few days we have made a careful study and canvass of crop conditions generally on both sides of the Sacramento valley and were agreeably surprised to find crop conditions so very favorable in face of a season's rainfall far below normal.

All crops in Yolo county tributary to Woodland and Knight's Landing, which is a winter-sown district, look very good and healthy; all early-sown grain covers the ground and should, with favorable weather conditions, make at least a normal crop of grain.

From Dunnigan to Willows, which territory is principally a summer-fallow section, it would be difficult to imagine better looking growing grain, most crops being fully a foot high, with good, healthy color. Conditions on the Hamilton City branch are equally satisfactory. One crop of grain in the locality being early-sown barley, was fully headed and looks like at least a 15-sack per acre crop. Nothing can possibly prevent many crops in this section from producing abundantly, except heavy north winds or extremely hot weather.

Glenn and Tehama counties look good, and the almost inevitable spring showers will insure a probable normal crop per acre. The acreage sown to grain in these two counties is probably a trifle below normal. On the east side, from Red Bluff south to Chico, conditions are not quite so good, the country being somewhat spotted with poor-looking crops.

Chico, Durham, Nelson and Butte City are exceptionally good. The black land around Durham and Nelson never gave better indications at this time of the season for a bumper crop of grain.

Those districts embracing Briggs, Gridley, Live Oak, Yuba City and all of the early-sown grain on the red lands from Marysville to Roseville, all crops grown on summer-fallow ground are extremely good.

Pullman Employee Takes Own Life

Late Thursday afternoon Fred Spreners, 42, an employee of the Pullman shops here, committed suicide at his home, 1418 Northside avenue, Berkeley. It was reported yesterday. Complaining that he was feeling ill, Spreners left the shop at noon. His wife, who had spent the afternoon shopping returned home and found his body hanging to a rafter on the rear porch.

Corroborating his wife's story of his despondency are fellow workmen of Spreners, who have noticed it for some time.

Vessel Given Up, Sails Into Port

OAKLAND, April 4.—The Mexican steamer Tropical, battered by storm and with her cargo at the bottom of the Pacific ocean, came in through the Golden Gate yesterday and proved to be an old frequenter of San Francisco bay waters. The vessel was formerly the government steamer General McDowell, and ran from Port Mason to the various military posts about the bay. A couple of years ago she was sold to Mexican interests in Lower California, and since that time has been operating out of San Jose del Cabo on the peninsula.

The Tropical has probably hung up the record of having the fiercest encounter with the elements by any ship this season. The little vessel, which only registers 102 tons, was given up for lost last week and so reported.

When several days ago she put in an appearance at San Diego, badly battered and minus her cargo, there was surprise and rejoicing. The Tropical will probably go on the way at one of the Oakland shipyards for an overhauling and repair.

A most trying time was experienced by the little vessel. During the height of the storm she ran out of fuel oil and was left practically helpless. In order to save the vessel, it became necessary to petition the cargo. Time after time the ship was swept with water, and once she listed to 4 degrees. All hopes of seeing the shore again was abandoned by the crew members. However, expert workmanship put into the little ship at the time she was built made it possible for her to withstand the great strain from the elements, and the gale was successfully ridden out. Makeshift sails and other means were rigged up and the slow journey into San Diego was completed.

Record Month In Building Reported In Bay District

With new people coming from sixteen states, twenty-four California cities and two foreign countries, and 993 new buildings under construction, the East Bay cities experienced a record month in development during March, according to figures on applications for new water services made public yesterday by the East Bay Water company.

In Oakland 701 applications were received, 210 in Berkeley, 50 in Richmond, and 32 in Alameda, each application indicating that a new building of some sort is under way, officials of the water company explain.

Previous monthly records for this year and for last year in building were broken, the report shows. A gain of 25 per cent for March over February and a gain of 10 per cent for March this year over the same month last year is shown in building throughout the East Bay district.

Oakland shows a gain of 15 per cent for March this year, over the same month last year, and a gain of 31 per cent during March over February.

Berkeley building took a big jump during the month with a gain of 29 per cent in the number of buildings under construction during March, as against the total for February. Berkeley's gain for March this year over March last year, was more than 22 per cent.

Both Alameda and Richmond show decreases for March as against February and for March last year, which caused the general gain for the East Bay district to fall below the high marks set by both Oakland and Berkeley.

The sixteen states from which new people came are Illinois, Florida, Massachusetts, Missouri, Nevada, Oregon, Michigan, Colorado, Washington, Georgia, Idaho, New York, Minnesota, North Carolina, Montana and Pennsylvania.

Of the California cities, San Francisco sent 28 families to the East Bay, 13 of which settled in Oakland, 7 in Berkeley, 3 in Alameda and 5 in Richmond. Los Angeles contributed 11 families during the month to East Bay population.

District east of Lake Merritt continued to lead in the number of new homes. The section north of Pothill boulevard, between High street and Eighty-second avenue, led all others with a total of 123 new structures, while the section between East Fourteenth street and the Boulevard from Seminary avenue to San Leandro showed a total of 114. San Leandro started 75 new buildings during the month.

Frank A. Scholes Given A Surprise

Frank A. Scholes, prominent automobile dealer here, was honored at a surprise party last night at his home, 735 Boyd avenue. The affair was arranged by Mrs. Scholes and was a great surprise to the honored guest. The event was in the nature of a stag dinner party and an elaborate banquet was served the guests by Mrs. Scholes.

The guest list included W. E. Jenkins, J. A. McVittie, Bert Wierda, Harry Chapman, Ralph Pettillon and J. O. Ford.

Enamel Workers Form Union Here

Another group of skilled mechanics obtained a charter from the American Federation of Labor. Some weeks ago Ross Beatty, the business agent for the Contra Costa County Building Trades council met with the men engaged in the enameling industry in Richmond, formed a temporary organization, and made application for a charter from the Washington headquarters, as there is not an international in their line as yet.

Arrangements were made for a meeting in the Richmond Labor Temple on Sunday morning, March 30, at 10 o'clock.

The officers elected for the first term are as follows:

R. C. Cunningham, president; H. E. Mahan, vice-president; F. E. Cramer, financial secretary; John K. Wilson, sergeant-at-arms; D. E. Bowman, W. R. Barkfelt, R. Cresler, trustees.

R. C. Cunningham, H. E. Mahan, Jim Simmons, Harry O'Dell, W. R. Barkfelt, shop committee.

Sherman Swan To Speak Before Local Merchants

"If I were a Richmond Merchant" is the subject of the address of Sherman Swan, of Whitthorne & Swan, Oakland merchants, before the Richmond Merchants' association on next Monday evening at the Episcopal Guild hall.

Swan is expected to reveal some of the secrets of merchandising which in eight years have built up the Oakland business from nothing to a volume of approximately four million dollars in 1923, and a large turnout of local merchants and business men is expected.

Business men in all lines have been invited by the association to attend the meeting, which is a dinner meeting, scheduled for 6:30 p. m. Speaking will begin at 7:30.

Reservations for the dinner must be made through the Merchants' association offices, phones 347 and 1173, not later than Monday noon.

Scharrenberg To Give Address Here

Richmond is to have a visit from Secretary Paul Scharrenberg of the California State Federation of Labor, who is presenting the case for more interest in the ballot box by workers this year.

The railroad brotherhoods and the federation, together with a number of independent organizations, have for a few years favored an awakening in this direction as a corrective for the begging and the lobbyist methods of former years.

Wednesday April 9th, is the night set for the meeting.

Investigate Oil Possibilities Near Martinez

Prospects of oil in Contra Costa county is drawing attention of oil interests from various parts of the state and considerable activity in signing leases on tracts in various sections is now in progress.

The most recent section to come into the foreground as possible oil land is the Franklin canyon, two miles from Martinez, where leases are being signed at the present time.

H. Edwards, a San Francisco resident, who has been at Martinez for several days past discussing leases with landholders, in that section, states that he is of the opinion that district is in an oil belt and he plans to sink a test well.

Leasing of the land in the Clayton valley in the foothills of Mt. Diablo, has been in progress for several weeks past, the reports being that the General Petroleum and Pacific Oil company are in back of the plan for development of the Valley section.

Committees Are Named By P.T.A.

Members of the executive board of the Richmond Federation of Parent-Teachers' associations met yesterday afternoon and appointed the various chairmen of committees for the association.

The following were appointed chairmen: Americanization committee, Mrs. Shoute; child labor committee, Mrs. Shaw; education and speakers' bureau, Miss Engle; magazine committee, Mrs. Hunt; Founder's day committee, Mrs. McNanny; high school, Mrs. Carpenter; home department, Mrs. Duncan; legislation committee, F. C. Schallenberger; membership committee, Mrs. Lauritzen; music and art appreciation, Mrs. Vestal; philanthropy, Mrs. Blake; printing, Miss Ashfield; recreation, W. B. Seawright; scholarship committee, Mrs. Hayward.

The meeting date of the federation has been set for the first Tuesday in the month, and the next meeting will be held Tuesday, May 6. A good number of the ladies from Richmond are planning to attend the convention to be held in Berkeley April 9, 10 and 11. This will be the second district convention of the California Federation of P-T. A.

Santa Fe Plans Improvements In Equipment Here

According to a statement given out yesterday by W. B. Trull, agent for the Santa Fe road here, the company will spend a half million dollars on work now in progress or on contemplated improvements in their plant here during the coming year.

Part of this sum will be spent by the company in deepening the harbor basin at the ferry slip and the renewal of the companies wharves. The remainder will be spent to renew parts of the terminal here and to enlarge the company's shops.

The work of the company in deepening the harbor and in renewing the wharves will enable the largest lumber boats to come in and unload their cargoes. Formerly, according to Trull, the ships have landed at Ferry Point, but during the last few months the harbor has become so filled with silt that some of the larger boats have docked with difficulty.

At the present time the company has a dredger of the Can Pedro Dredging company at work in the terminal basin, increasing the depth of the basin from 25 to 30 feet at low tide. The mud and silt which is being taken out of the bay is pumped into the Santa Fe lagoon, which was partly filled by the city last year.

Blue and Gold Crew Leaves For North

UNIVERSITY OF CALIFORNIA. April 4.—The California varsity and freshman crews have concluded their workouts on the Oakland estuary in preparation for the annual Washington regatta and will leave for Seattle tonight. The men, on arriving north, will have about a week to hold workouts on Lake Washington and to accustom themselves to the water and the climate.

It is important that the crews have plenty of opportunity for practice before the race, since the selection of the men has just been completed and they have not had a great deal of experience in working together. After the arrival in Washington the boats will have 12 regular workouts and will thus become accustomed to the Lake Washington course.

The men are all anxious to meet with their time-honored opponents, and hope to show some improvement over last season's varsity. According to all information the varsity boats are more evenly matched than they have been for some time and should put up an interesting fight. According to Coach Eblight of the Bears the varsity boats have a fifty-fifty chance for victory.

Farewell Reception Given Rev. Webb

Over 100 members of the Stege Presbyterian church attended a farewell reception held last night at the church parlors in honor of Rev. and Mrs. R. L. Webb.

Rev. H. K. Sanborn of the First Presbyterian church gave a wonderful address that was most appropriate for the occasion. B. E. Skiles also gave a short talk and presented the honored guests with a lovely silver tea service in behalf of the congregation. The service was beautifully engraved "From the Stege Presbyterian Church." Both Rev. and Mrs. Webb gave short talks in response to the talks given.

The remainder of the evening was spent with music and a very enjoyable social time.

Renew Search For "Weighted Body"

Convinced that a weighted body is still in the Can Joaquin river, near Sherman Island, opposite Antioch, as reported several days ago by Vincent Cardinali, work on dragging the stream has been renewed at the order of Sheriff R. R. Veale.

Cardinali reported last Monday that while dragging the river near Sherman Island in search of a lost net, his grappling hooks brought to the surface a body, which sank from sight as soon as his grappling hooks were released and he expressed the belief that the body had been heavily weighted.

The river at the point was dragged for two days, but no trace of the body could be found up to Tuesday night. Sheriff R. R. Veale yesterday ordered that the search be renewed and a crew of workmen was immediately dispatched to continue the search.

Copper Stolen From Factory At Bay Point

Over 1200 pounds of copper has been stolen from the ruins of the old box factory at Bay Point that was destroyed by fire several months ago, according to a report at the sheriff's office.

The copper was the property of the Bay Point Light and Power company and according to Deputy Sheriff A. D. Joslin, who has been working on the case, the wire was sold by H. Miller, a Concord junk dealer, who is now facing a charge of receiving stolen goods.

Yesterday the officers traced 700 pounds of the copper that had been shipped to an Oakland dealer who had forwarded the supply to a San Francisco foundry.

Tinning President Of Country Club

At a meeting of the newly formed Contra Costa Country club, which was held recently in Martinez, District Attorney A. B. Tinning was named president of the organization for the coming year. The organization will include players from Pittsburg to Crockett. The site of the new club will, probably be a 311-acre tract near Pacheco.

Other officers who were elected at the meeting are as follows: George Neece, Crockett, vice-president; C. A. Whitington, Martinez, secretary, and W. A. Hale, treasurer.

Membership fee in the club is \$100, and dues will be \$5 a month.

Annual Pre-Easter Shoe Sale

RICHMOND'S GREATEST SHOE EVENT

Starts 9 a. m. Saturday, April 5th

This annual event is eagerly looked forward to by the people of Richmond. We believe no like event has ever produced such sterling shoe values. It is a most opportune sale, providing as it does the most modern footwear for this season's wear and affording an opportunity to buy the wanted shoes for Easter wear at a large saving from regular prices. Needless to say that the footwear offered in this Pre-Easter event is the same quality you buy from us every day in the year--only at a lower price for this occasion.

Women's and Misses' Novelty Spring Footwear

There are 14 styles from which to make your selection--all the newest novelties--direct from the manufacturer. 'Twill be easy to select your Easter shoes from this assortment and the wonderful styles and values will delight you. Included are Suedes--Satins--Patent Leather and Black Kid--with French, Spanish, Cuban, Military or Flat heels. Grouped for convenience into two lots.

GENUINE RELIEF OF ASTHMA

P. O. Box 203, Milpitas, Calif.
January 28th, 1924.

For the past few years I have suffered severely from Asthma. Every year I dreaded the coming of winter, for the cold weather affected me terribly. I coughed and was so choked up that I could neither lie down nor walk without difficulty in breathing.

Having seen a testimonial in a newspaper regarding a wonderful cure of cough and asthma made by the Fong Wan Herb Co., I tried their herbs. Now after I have taken the nine weeks' treatment, I feel like a new man. Although this winter is colder than many other winters have been, I am remaining well, with no sign of asthma. I am glad to testify that the FONG WAN treatment SURELY CURES ASTHMA.

FONG WAN HERB CO.

This company guarantees FONG WAN HERBALIST has relieved more sufferers of East Bay Cities than many herbalists combined.

Proposed New Law On Immigration Is Explained

Recent political developments have in some degree diverted the interest which would naturally attach to the immigration bill now before Congress. To the business community, especially, the immigration policy of the government is of great significance, as a factor bearing directly on the labor supply. States the current issue of the Guaranty Survey, published by the Guaranty Trust Company of New York.

The policy of free admission which prevailed in the past was based on the desirability of an ample supply of labor as an aid to industrial expansion. There has been increasing opposition to this attitude, the survey says, especially in recent years, on the part of those who regard an unrestricted admission of aliens as a menace to the comparatively high wage levels and standards of living enjoyed by American workers.

The intent of the new bill is to impose even closer restrictions on the admission of aliens than prevail under the present law, which will expire next June. The bill now pending, which is designed as a permanent immigration policy, provides for the continuation of the quota system, but bases the annual quotas on the census of 1890, instead of the census of 1910, and reduces the number of admissions each year from 3 per cent to 2 per cent of the census figures. That is, the immigrants of each nationality admitted in any fiscal year shall not exceed 2 per cent of the foreign-born persons of such nationality residing in this country, according to the census of 1890.

Effects of Proposals
These changes, if adopted, will have two direct results. The reduction of the quotas will curtail the number of immigrants and the substitution of the earlier census for the later one will not only reduce further the total number, but will reduce the immigration from southern and eastern Europe much more than that from northern and western Europe. The foreign-born population of the continental United States was 9,250,000 in 1890, as against 13,516,000 in 1910. The earlier figure, however, represents a condition obtaining before the great flood of immigration from southern and eastern Europe took place and therefore contains a much larger proportion of natives of the countries of northern and western Europe.

Kratzer Leases Auto Salesroom At Martinez

MARTINEZ, April 4.—J. F. Seabright, Chevrolet distributor, who occupies the new garage on the corner of Alhambra avenue and Ward street, states that C. C. Kratzer, Buick distributor, has taken over the lease and will have his salesroom and service station there.

Seabright will sublet part of the building from him and continue to use it for the display of Chevrolet cars and service station.

C. F. Draper, nephew of Kratzer, who has been in business in Kingsburg, will take charge of the Buick agency in Martinez.

Hen Lays Five Oz. Egg; Owner Claims Record

George Shubert of the East Richmond grocery store, claims a record for a year-old pullet, which laid an egg yesterday weighing five ounces, and said by Shubert to have been the largest he has ever seen in his long experience as a grocer.

The hen's egg rivals that of an ostrich in size and is perfectly formed.

Non-Resident Auto Owners Favored

SACRAMENTO, April 4.—California's motor vehicle law permits non-resident motorists to remain longer without obtaining a new license than any other state in the Union, except Illinois, the division of motor vehicles so announced today following an examination of the laws of all the states governing non-resident motorists.

Out-of-state motorists may operate their cars on the public highways of California for six months without obtaining a California license, it was stated, the only requirement being that the visitor obtain a non-resident permit. Illinois was found to be the only other state allowing a period of equal liberality, the average being from 30 to 90 days. In New Jersey and Connecticut, it was learned, visiting motorists must secure a license within 15 days after entering the state.

Division officials said the laws of 18 states provided a "reciprocal" arrangement whereby a visiting motorist was permitted to remain without registering his car for the same length of time granted by the state from whence he came. Thus California motorists, visiting in such states, could remain six months without obtaining a license, while motorists from New Jersey and Connecticut would be compelled to pay the fee within 15 days.

The liberality of California is strikingly evidenced by the fact that during 1923 more than 200,000 out-of-state motorists visited the state, Will H. Marsh, Chief of the Division declared.

SELECT DANCING CLUB TO ENTERTAIN TONIGHT

A dance is to be given tonight at the Bank hall, Eighth and Macdonald, by the Select Dancing Club, which is planning a number of novel features for the affair. Music is to be furnished by Cecil's Melody five. Members of the club and their friends have been invited, it was stated.

Cargo of Beer Is Seized At Benicia

Seizure of more than 10,000 bottles of beer of pre-Volstead strength yesterday afternoon at Benicia has caused San Francisco and bay county dry officials to search for a brewery that is sending out beer to carload lots. The beer seized yesterday was consigned to Ely, Nev., and the bill of lading showed that the point of origin for shipment was Vallejo.

Solano county officials, headed by Deputy Sheriff Jack Hall, broke open a freight car en route from Vallejo to the Nevada destination, and revealed the shipment.

The car was stopped and entered at Benicia by the squad under Hall under authority of a search warrant issued by Judge Victor Castagnetto at Vallejo.

The finding of the 400 cases of beer resulted in the sending of the car back to Vallejo, where the beer has been placed under guard in a government warehouse.

The consignment was sent by a man named Anderson. Officials assert that the name is fictitious, but say they have clues which will soon result in the arrest of the shipper and the uncovering of a beer ring which has been producing thousands of gallons of brew.

Deputy Sheriff Hall located a deserted still on the Benicia road earlier in the week and confiscated the still, a large quantity of beer and whisky, and a bottling machine. The owners have not been located.

YOEMEN TO GIVE DANCE NEXT FRIDAY

Liberty Homestead of Yoemen will hold an open meeting, program, and dance next Friday night at the Musicians hall, according to word given out last night. The organization held one of the most successful meetings of the year, which was followed by a social and banquet. Arrangements were made for a whist party which will be given by the organization April 12.

The program which will be given at the open meeting will be followed by a dance at which the Yoemen orchestra will play.

Aid Asked In Work On Scout Building

Members of the Lions club, Veterans of Foreign Wars, American Legion and other organizations of this city who are interested in boys work are being urged to come out and help the Boy Scouts of this city build their clubhouse today and tomorrow so that it will be ready to dedicate on May 30—Decoration day. All material necessary has been donated to the boys' organization, and all that they now need is the help of a group of men, carpenters, etc., otherwise, to put the building together.

A plan is being furthered by individuals interested in the Scouts to interest a large number of men in the work for some week-end in the near future and the ladies will be enlisted to serve a lunch to the workers.

Additional Harbor Work To Be Done

City Manager J. A. McVittie announced yesterday that contracts totaling \$254,000 are to be awarded in the immediate future for additional work at the local harbor. These contracts will be let by the government and the city, each to pay \$125,000 of the expenses. At the present time total of \$800,000 has been spent in improvements at the harbor, a contract of \$200,000 for deepening of the channel having just been completed. Additional work will be the completion of the turning wall.

MOOSEHEART PLAN WHIST PARTY MAY 25

One of the biggest whist parties of the year is planned by Mooseheart of Richmond, which will be given by the organization May 25th in the Moose hall. Embroidery work will be given as prizes at the big affair, and members are now hard at work turning out 18 beautiful pieces of handwork for the affair.

Mrs. E. J. Martin was appointed chairman of the committee in charge at a meeting of the organization which was held last night in the Moose hall on Macdonald avenue.

Announcement was made at last night's meeting that Mrs. M. Kelly would give a whist and radio concert at her home, 905 Florida street, tonight.

Refreshments were served after last night's session by a committee headed by Mrs. E. Baptisti.

FOR RENT—Two housekeeping rooms at 1725 Clinton Ave. 4-5-6t

Society and Lodge News

Wesley Open House Well Attended

Wesley M. E. open house last night at the church was attended by a large crowd of young people as well as the usual audience. The program was specially arranged for children and young people but proved interesting to all those who viewed it. Special music was a feature of the evening, as well as the following films: "The Little Diplomat," featuring Marie Osborne and Sunshine Sammy; "Having a Circus," and "A Moosebooy," and a Richard Harding Davis comedy, "Gallagher," was one of the most enjoyable films on the program.

SAN PABLO CIRCLE WILL GIVE WHIST

San Pablo Circle 243, C. O. F., will entertain at a whist party Thursday evening, May 1. Plans are being made by the committee to take care of a large crowd of players, and a fine program is being arranged. The committee includes Nellie Silva, Josie Anderson, Rose Lumpkin, Emma Moltoza, Frederika Weber and Louise Weber.

MR. AND MRS. HURLBERT HONORED AT PARTY

Mr. and Mrs. H. Hurlbert of 115 Clifton avenue, were honored in celebration of their fortieth wedding anniversary at a surprise party at their home. The affair was also a farewell party as the couple will soon make their home in Vacaville. The affair was planned by the ladies of the Brotherhood of Railroad Trainmen. Mrs. Griffith presented the guests with a pair of polycrome candle holders in behalf of the organization.

The guests present at this affair were: Louise Spinney, Margaret Abbey, Mrs. Vallie Schooler, Mrs. Nora Hamilton, Sylvia Center, Fanny Hurlbert, Grace Black, Catherine Hardesty, Amelia Fry, Sylvia Griffin, Alice Fanning, Mrs. Doolittle, Mrs. H. H. Hurlbert, Little Frances Hurlbert and Billy Brown.

MISS FLORENCE SUMP AND PETER ICARDO WED

Announcement has been made of the recent marriage of Miss Florence Sump, daughter of Mrs. Florence Sump of Fourth street, and Peter Icardo, son of Mr. and Mrs. G. Icardo, of San Rafael, in Oakland. The ceremony was performed by Judge Edward J. Tyrell, and was witnessed by the bride's mother and her sister, Miss Mabel Sump. The bride is a former student of the high school here and is well known in this city. Icardo is ticket agent for the Richmond-San Rafael Ferry company. The couple will make their home in this city.

SHELBY K. OF P. TO VISIT LOCAL LODGE

According to an announcement made last night following the regular weekly meeting of the Richmond Knights of Pythias, which was held in the Pythian castle, the Shelby lodge of Knights of Pythias will journey to this city on next Friday night to confer the Page rank on a class of candidates.

Tentative arrangements were made at last night's meeting to hold a picnic in Grand Canyon at a date which will be set later in the month. M. Slosilo, vice-chancellor, presided over the meeting.

Civic Center Club Is Entertained

Mrs. S. B. Wilson entertained the Shakespeare study section of the Civic Center club yesterday afternoon at her home at 626 Thirtieth street. The meeting was opened with the discussion of several current topics, including the "Science of Rain-Making," and "Child Labor." The biography of Shakespeare was completed and Stratford-on-Avon, the Elizabethan period of literature and plays, players and theaters of Shakespeare's time were discussed by the various members of the class. The reading of "A Midsummer Night's Dream" will be commenced next Friday afternoon at the meeting at the home of Mrs. Harry Bryant, 666 Thirtieth street. The meeting has been called for 2 o'clock and all members are requested to be on time.

FAIRMONT P. T. A. MEMBERS ENTERTAIN

Fairmont P. T. A. members and their friends were entertained last night by the children of the Fairmont school at a clever program given at the school building.

The following program was given: Instrumental selections, Mrs. C. Simonson; song, "Don't We Carry on," Marian Thomas, Lucille Morrill, Barbara Walsh, Elsie Grange, Dorothy Eldridge, Covina Cobba, Doris Lush, Edna Logan, led by Helen Marie Ralph and Thomas Pickles; "Teddy Bear Blues," Donald Ralph and Merle Larsen; "Oh Baby," Barbara Carriker; "Vanity," Stella Varrace; solo dance, Dorothy Devers; Irish Jig, Anna Fraser; "Runnin' Wild," song by Lena Fry; recitation, Dorothy Bigley; Dance of the Humming Bee, by Crystal Smith; instrumental solo, Clara Larson; song, "Say It With a Ukelele," by Raymond Lutz and Thomas Pickles; Jockey dance, Eva Westover; song, "Mama Love Papa," Claudia Dewsnip and Ramona Adams; sword dance, Geraldine Walton, Joan O'Brien and Barbara Walsh; song, "Deese, Dose, Dem," by Stella Vance; recitation, Anna May Fraser; song, "When I Cry Myself to Sleep Over You," Achilles Facini; Dance Follies, Geraldine Westover; song, "Whose Izzy Is He?" by chorus girls of second number; song, "Remembering," Robert Lutz; instrumental duets, Geraldine and Nellie Shoute. The numbers were accompanied by S. Wood at the piano. Social dancing concluded the evening, with music furnished by the Community orchestra.

REDMEN TO GATHER AT MEET HERE TONIGHT

Tomorrow night Redmen from every tribe in Contra Costa county will trail to the Wigwam of Onetah Tribe in Richmond to participate in the exemplification of the Haymaker degree.

This is the fourth degree of Redmanship, initiation in which is rarely held more than once yearly.

The occasion is to be an all-county affair and will be participated in by Wahoo Tribe of Concord; Minnetonkah Tribe of Pittsburg; Carquinez Tribe of Crockett; Ojib Tribe of Antioch; Yakima Tribe of Martinez, and Shenandoah Tribe of Pinole.

The ritualistic work will be under the direction of Seminole Tribe of San Francisco, past masters of the Haymakers art.

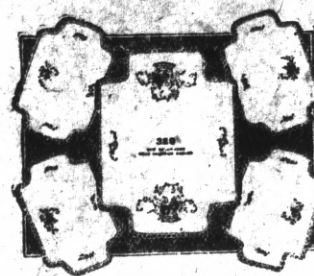

A big feed of venison and corn will wind up the affair.

P. T. A. NAMES DELEGATES TO DISTRICT CONCLAVE

Richmond parent-teacher associations have named delegates to attend the second district convention of the California association of P. T. A.'s at Berkeley, April 9, 10, 11. Convention headquarters will be at Hotel Whitcomb. Two luncheons and one dinner will be held at Enners. All members who wish to attend are requested to notify the association president. Those with automobiles are also asked to notify the president in case they should wish to volunteer transportation to follow members.
